Karen, thanks for looking at the slides. I have made some changes based on your easier to address comments and have added some of my comments to your comments below in red (how meta!). Sam- attached is an updated draft. I am anticipating that I will have quite a few more changes to make after the dry run.

Here are some points to consider, and I have some minor edits. Perhaps all of this can wait until Tuesday.

Samantha, did you want to attach these slides to the meeting invite for our dry run on Tuesday?
